From Bronze Images to Living Images of Christ

About 15 yards from our bronze sculpture of Homeless Jesus there has recently been a woman with a child holding a sign asking for money. The bronze image of Jesus is intended to remind us of the *living* presence of Christ in those in need and our privilege and responsibility to care for Christ in them. I and other parishioners have spoken to the woman several times and asked her how we can help but she only wants cash. So what do we do? Everyone is welcome to join us for Mass but she has been asked not to solicit money on our property. We will continue to offer her help and I ask you to treat her with the same kindness that you would Jesus. For, she and the child are *living* images of Christ.

Join Fr. Brendan and us in Mexico and build something life-changing with Corazón. Saturday, May 14th.

Come sign the initiative after Mass!

The Justice That Works Act of 2016 Replace the Death Penalty in California

The Catholic Social Justice Ministry at St. Edward the Confessor parish will gather signatures after all Masses the weekends of April 16/17 and April 23/24 to qualify the **Justice That Works Act of 2016** initiative on the 2016 November ballot in California, to replace the death penalty with life imprisonment without the possibility of parole.

A justice system without the death penalty offers several benefits, among them:

- No innocent persons would be killed by the state
- Victims' families would realize additional restitution and fewer court appearances
- The cost to the state would be reduced by **\$150 million per year**

For additional information visit <http://www.justicethatworks.org/>

In his 2015 address to Congress, Pope Francis called for the global abolition of the death penalty.
