Why Give Online?

***Intentionality**—By having your tithe taken out of your account on a recurring basis, you are giving your “first fruits” to God. Online giving is a tool that will help you make giving a priority by scheduling your donations.

***Simplicity**—You won’t have to worry about whether or not you remembered to turn in your tithe check. When you go out of town or miss a service for any reason, your tithe will continue automatically.

***Security**—Giving online is even more secure than using checks, because electronic gifts cannot be lost or stolen.

***No Distractions**—On Sunday mornings you can come ready to worship without the distraction of writing a check because you know your tithe is taken care of already.

***Easily Track Giving**—Online giving is easier to track for our administrative staff and requires less processing since the information is automatically logged and deposited. This also allows you to easily access your up-to-date giving records online

Please go to our www.stedward.com and press the “Donate” button. You have a choice of giving through Parish Pay or donating through our on line application.

Catholic Social Justice Ministry

*"We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor.
We need to include the excluded and preach peace." Pope Francis*

The second of the Seven Themes of Catholic Social Justices is a call to family, community, and participation: "The person is not only sacred but also social. How we organize our society—in economics and politics, in law and policy—directly affects human dignity and the capacity of individuals to grow in community. ..." For more on this and the other six principles of justice, stop by the display case in church entry gathering space to see our poster. For your own copy of the seven themes and their descriptions, contact our ministry chair Chuck & Cindy Brauer 949-388-8219
