## *Welcome Back to School St. Edward Monarchs!*

On Wednesday, August 21, we welcomed back more than 800 students to campus! The quad was filled with early morning tunes, while students reunited with friends and families snapped Instagram-worthy shots of their little ones. Over the next two days, students met their teachers, learned classroom rules, reviewed their schedules, got to know each other and hear about summer adventures, and settled into their new routine for the next nine months.

While students were away over the summer, the administrative and maintenance teams were hard at work getting ready for Opening Day! Summer work included: renovating the school library; installing a kiln for ceramics; updating carpet and paint in select rooms; implementing FACTS, the new student information system, and meeting and greeting new and prospective families. Our teachers are "Always Learning" so they attended professional development opportunities around the country.

We look forward to partnering with our faculty, staff and parents this school year to make a difference in the lives of our students by helping them explore and use their God-given talents in order to achieve their full potential!
