The Other Image of Christ

The statue of Welcoming Jesus is beautifully placed in front of the entrance to our church. The open arms of the Lord remind all of us that he truly welcomes us every time we enter the church. The statue also reminds us that this is how our parish must be: all of us must welcome everyone who comes here in the spirit of Christ. We are all truly blessed to have this image in front of our church.

But there is another image, just as important. In the parking lot, on a bench, is the image of Homeless Jesus. He is only recognizable by the nail wounds in his feet. The statue is realistic, and hopefully it catches our eye as we walk from the parking lot to the entrance of the church. Hopefully it reminds us that Christ identifies himself with the poor; what we do for them, we do for him.

The United States Bishops' Catholic Campaign for Human Development has designated January as Poverty Awareness Month. We can't let the month go by without reflecting on the fact that more than 37 million Americans live in poverty. What can we do to help? Here are a few ideas:

- Pray for all who are poor, and pray for an end to poverty
- Support the ministry of our parish's St. Vincent de Paul Society, which helps those in need
- Support the great work of FAM (Family Assistance Ministries), which partners with our parish in helping families in need
- Visit povertyusa.org to become informed about this important issue

Let's make sure we recognize the Lord and respond to him in the poor and needy. We may not see wounded feet, but his image and likeness is still there. Let's give him the love and honor he deserves.

La Otra Imagen de Cristo

La estatua de Jesús ubicada frente a la entrada de la iglesia dando la Bienvenida, está hermosa. Los brazos abiertos del Señor nos recuerdan a todos que Él realmente nos da la bienvenida cada vez que entramos en la iglesia. La estatua también nos recuerda que así debe ser nuestra parroquia: todos debemos acoger a todos los que vienen aquí en el espíritu de Cristo. Todos somos verdaderamente bendecidos de tener esta imagen frente a nuestra iglesia.

Pero hay otra imagen, igual de importante. En el estacionamiento, está la imagen de Jesús recostado en una banca, representando a un vagabundo. Solo es reconocible por las heridas de los clavos en sus pies. La estatua es realista y esperamos que nos llame la atención mientras caminamos desde el estacionamiento hasta la entrada de la iglesia. Ojalá nos recuerde que Cristo se identifica con los pobres; lo que hacemos por ellos, lo hacemos por él.

La Campaña Católica para el Desarrollo Humano de los Obispos de los Estados Unidos ha designado enero como el Mes de Concientización sobre la Pobreza. No podemos dejar pasar el mes sin reflexionar sobre el hecho de que más de 37 millones de estadounidenses viven en la pobreza. ¿Qué podemos hacer para ayudar? aquí hay algunas ideas:

- Orar por todos los que son pobres, y orar por el fin de la pobreza
- Apoyar el ministerio de la Sociedad de San Vicente de Paúl de nuestra parroquia, que ayuda a los necesitados.
- Apoyar el gran trabajo de FAM (Ministerios de Asistencia Familiar), que se asocia con nuestra parroquia para ayudar a las familias necesitadas.
- Visite poorusa.org para informarse sobre este importante tema.

Asegurémonos de reconocer al Señor y responderle en los pobres y necesitados. Puede que no veamos pies heridos, pero su imagen y semejanza sigue ahí. Démosle el amor y el honor que se merece.

Gratefully yours/Con Agradecimiento,

Third Sunday in Ordinary Time

Poverty Awareness Month

The U.S. Conference of Catholic Bishops, in collaboration with the Catholic Campaign for Human Development, declared January “Poverty Awareness Month” in our nation.

Tens of millions of people in the U.S. live in a web of poverty. By federal criteria, Orange County’s poverty rate has risen to 13.5 percent of residents. For a family of four, that means an annual income below \$24,000. And Orange County’s cost of living is 46 percent higher than the national average.

The more focused California Poverty Measure, which accounts for a range of local factors, including housing prices, pegs Orange County’s poverty rate at 24.3 percent.

Children suffer the most. A third of Orange County youths under 12 live in poverty – a higher proportion than in Los Angeles, Riverside, San Bernardino and San Diego counties.
