Turn Your TAXABLE RMD (Required Minimum Distributions) into Charitable Donations.

IRS rules mandate that individuals age 70 1/2 and older take RMDs from their IRA each year, regardless of whether the income is needed. These annual withdrawals are subject to ordinary income taxes. By making a charitable contribution **from your IRA**, you can satisfy your RMD amount **without reporting additional income.**

This provision may be especially attractive for retirees who don't need all the income from their IRA to meet current living expenses. By donating the money to your charity, you can enjoy the satisfaction of knowing that you are contributing to a worthy cause while effectively lowering your tax bill.
