Church Renovations

As we celebrate our third weekend in the tent, I want to express my gratitude to the parish staff and volunteers who have worked so hard to make our “revival” tent a beautiful place of worship. Last week the tent also served as Noah’s Ark during the rain. Despite some discomforts, it was so edifying to me to see your joy.

As of January 12th, the renovations are going very well. To most parishioners, it may appear that the renovations almost happened overnight, but it has actually been a long thoughtful process. Here is a timeline of the renovations:

Renovation Timeline

- 2012:** Fr. Steve Sallot, former pastor of St. Edward the Confessor, hired a liturgical consultant and formed a committee of staff members and parishioners to discuss options for renovating the church.
- May 2012:** Liturgy Design Consultant, Robert Habiger, submits a 50-page document to Fr. Steve consisting of renovation recommendations.
- Spring 2013:** Fr. Steve Sallot is named Vicar General of the diocese and Fr. Brendan Manson is named Administrator of St. Edward the Confessor.
- July 2013:** Fr. Brendan begins at St. Edward the Confessor. The renovation project is put on hold during the transition of pastors.
- February 2014:** An assessment of the church roof, electrical, plumbing and HVAC is conducted.
- Spring 2014:** Fr. Brendan studies the renovation recommendations, discusses them with the Parish Pastoral Council, Parish Finance Council, Diocesan Construction Board, parish staff and some of the members of the original renovation committee that Fr. Steve formed.
- Summer 2014:** Parish Finance and Pastoral Council recommends moving forward with the renovation of the church. The scope, cost, and timing of the project are considered.
- September 21:** Bulletin announcement discusses the history of the renovation plans and that permission is being requested from Bishop Vann to pursue the renovation of the church in the winter of 2015. During this time, the scope is being refined in consultation with some parishioners, staff, and parish and diocesan councils and committees. Bishop Vann visits St. Edward to discuss the renovations including his desire to erect a reredo in the sanctuary.
- October 26:** A full-page announcement in the bulletin announces the renovation project is moving forward. The announcement addresses three questions: (1) what is going to be done, (2) what is it going to cost and who’s paying for it, and (3) when is the renovation going to begin.
- November 16:** An announcement is made at the end of all Masses regarding the full proposed scope and timing of the renovations. A written explanation is given in the bulletin regarding the monies raised from the parish capital campaign of 2000.
- Dec 5:** Bishop approves renovation project.
- Dec 14:** Bishop’s approval is announced in the bulletin together with an updated estimate of the cost of the project. The bulletin also states that that parish will still have money in reserves after the project and reiterates the timing of the project. Parishioners are directed to the parish website to see renderings and for a thorough explanation of the renovations and how to renovate our own homes, the domestic church.
- December 29:** The renovations begin.
- March 6:** Renovations scheduled to be completed with a Solemn Mass to dedicate the new altar by Bishop Kevin Vann at 7pm.

Renovation Q&A

Question: Why are we renovating the church in the winter?

Answer: St. Edward Church is particularly busy in the summer with up to three weddings each Saturday during the summer months. Many couples dream of having their weddings at our beautiful church and many of them want to get married in the summer. In an effort to accommodate them the decision was made to renovate the church in the winter when it is less busy. In addition, weddings provide our church with income which funds our ministries.

Question: Why did the renovation of the church begin so quickly?

Answer: Although unknown to most parishioners, the plans to renovate the church began in 2012. After twenty years of heavy use, the church is in desperate need of some refreshing, not merely for ascetical purposes but also for safety. Good stewardship also requires that we take good care of the church entrusted to us. When it was decided last summer to move forward with the renovations, weddings were already scheduled in the church during the summer of 2015. Therefore, the options were to begin this winter or to wait until the winter or summer of 2016. Following the recommendation of the Parish Finance Council, Parish Pastoral Council and others, I made the decision to begin the renovations this winter.

Question: Shouldn't we be giving the money to the poor?

Answer: As a parish, we have maintained our same level of giving to the poor throughout the renovations. In fact, we give more than 10% of our Sunday collections to various outreach ministries and organizations. We have also partnered with a poor parish in Tijuana to improve their church as we improve our own. We have donated our pews, altar, ambo, more than a dozen vestments, altar linens, and two chalices. The value of our donations is estimated to be about 15% of the cost of our renovations. In addition, it is my hope that a lasting relationship will develop between our parishes.

First, visit the parish website for renderings of the renovations, and an explanation of what is being done, why it is being done and how it applies to your home, the domestic church. As always, your questions and comments are always welcomed. You can email me at bmanson@stedward.com.

It's the Season for Giving

ParishPay and VISA sponsored a *Season for Giving* promotion where 10 brand new 16GB tablets were given away nationwide. Parishioners who made their regular offertory donations through ParishPay by Christmas were automatically entered to win one of these tablets.

We would like to congratulate Julie Kiernan, a parishioner here at St. Edward Parish, who is one of the lucky winners.

Congratulations Julie, and thank you for using ParishPay!

Renovación de la Iglesia

Al celebrar nuestro tercer fin de semana en la carpa, quiero expresar mi agradecimiento al personal de la parroquia y voluntarios que han trabajado tan duro para hacer que nuestra carpa "reviva" y sea un hermoso lugar de culto. La semana pasada, la tienda de campaña también sirvió como el Arca de Noé en la lluvia. A pesar de algunas molestias, era tan edificante para mí ver su alegría.

Ya es el 12 de enero, y todo va muy bien en cuanto a la renovación. Para la mayoría de los feligreses, puede parecer que las renovaciones casi sucedieron durante la noche, pero en realidad ha sido un proceso largo. A continuación una cronología de las renovaciones:

Cronología de la Renovación

- 2012:** P. Steve Sallot, ex párroco de San Eduardo el Confesor, contrató a un consultor litúrgico y formó un comité de miembros del personal y feligreses para discutir las opciones de la renovación de la iglesia.
- Mayo 2012:** Consultor de Diseño Litúrgico, Robert Habiger, firma un documento de 50 páginas con el P. Steve que consiste en recomendaciones de la renovación.
- Primavera 2013:** P. Steve Sallot es nombrado Vicario General de la diócesis y el P. Brendan Manson es nombrado administrador de San Eduardo el Confesor.
- Julio 2013:** P. Brendan comienza en San Eduardo el Confesor. El proyecto de renovación se pone en espera durante la transición de párrocos.
- Febrero 2014:** Una evaluación de la azotea de la iglesia, electricidad, fontanería y climatización se realiza.
- Primavera 2014:** P. Brendan estudia las recomendaciones de renovación, las analiza con el Consejo Pastoral Parroquial, Parroquia finanzas, Diocesano Junta Constructora, personal de la parroquia y algunos de los miembros del comité de renovación original que P. Steve formado.
- Verano 2014:** Finanzas de la Parroquial y el Consejo Pastoral recomienda avanzar en la renovación de la iglesia. El alcance, costo y tiempo del proyecto se consideran.
- 21 de septiembre:** Anuncio en el Boletín discute la historia de los planes de renovación y que el permiso se solicita del obispo Vann para que prosiga la renovación de la iglesia en el invierno de 2015. Durante este tiempo, el ámbito de aplicación se está perfeccionando en consulta con algunos feligreses, el personal y consejo parroquial diocesano y el comité. Obispo Vann visita St. Edward para discutir las reformas incluyendo su deseo de elegir un rero en el santuario.
- 26 de octubre:** Un anuncio de página completa se pone en el boletín que anuncia que el proyecto de renovación se estaba moviendo hacia adelante. El anuncio se dirigió a tres preguntas: (1) lo que va a hacer, (2) qué es lo que va a costar y quién está pagando por ella, y (3) cuando la renovación va a comenzar.
- Noviembre 16:** Y el anuncio se hace al final de todas las misas sobre el alcance propuesto completa y el momento de la renovación. Una explicación por escrito se da en el boletín en relación con los fondos recaudados de la campaña de capital parroquial de 2000.
- 5 de diciembre:** el Obispo aprueba proyecto de renovación.
- 14 de diciembre:** la aprobación del Obispo se anunció en el boletín junto con una estimación actualizada del costo del proyecto. El boletín también indica que esa parroquia todavía tendrá dinero en reservas después del proyecto y reitera el calendario del proyecto. Los feligreses se dirigen a la página web de la parroquia para ver las representaciones y para una explicación detallada de las renovaciones y la forma de renovar nuestras propias casas, la iglesia doméstica.
- Diciembre 29:** Las renovaciones ser.
- 6 de marzo:** Programado finalización de las renovaciones con una misa solemne de la dedicación del nuevo alt por el obispo Kevin Vann a las 7pm.

Preguntas y Respuestas

Pregunta: ¿Por qué estamos haciendo la renovación de la iglesia en el invierno?

Respuesta: St. Edward es particularmente intenso en el verano con hasta tres bodas cada sábado durante los meses de verano. Muchas parejas sueñan con tener su boda en nuestra hermosa iglesia y muchos de ellos quieren casarse en el verano. En un esfuerzo para adaptarse a ellos se tomó la decisión de renovar la iglesia en el invierno, cuando está menos ocupado. Además, la boda proporcionar nuestra iglesia con el ingreso que financia nuestros ministerios.

Pregunta: ¿Por qué la renovación de la iglesia comenzó tan rápidamente?

Respuesta: Aunque desconocido para la mayoría de los feligreses, los planes para renovar la iglesia comenzó en 2012. Después de veinte años de uso intensivo, la iglesia ha sido una necesidad desesperada de algunos refrescante, y no sólo para los propósitos ascéticos, sino también para la seguridad. La buena administración también requiere que nos tomemos un buen cuidado de la iglesia que se nos confía. Cuando se decidió el verano pasado para seguir adelante con las reformas, las bodas ya estaban previstas en la iglesia durante el verano de 2015. Por lo tanto, las opciones eran para comenzar este invierno o esperar hasta el invierno o el verano de 2016. A raíz de la recomendación de el Consejo Parroquial de Finanzas, Consejo Pastoral Parroquial y otros, yo tomamos la decisión de iniciar las reformas este invierno.

Pregunta: ¿No deberíamos estar dando el dinero a los pobres?

Respuesta: Como una parroquia, hemos mantenido nuestro mismo nivel de dar a los pobres a través de las renovaciones. De hecho, le damos más del 10% de nuestras colecciones Domingo a varios ministerios de alcance. También nos hemos asociado con una parroquia pobre en Tijuana para mejorar su iglesia a medida que mejoramos nuestra. Hemos donado nuestras bancas, altar, ambón más de una docena de vestimentas, manteles del altar, y dos cálices. El valor de nuestras donaciones se estima en alrededor de 15% del coste de nuestros renovaciones. Además, tengo la esperanza de que una relación duradera se desarrollan entre nuestras parroquias.

Men's Retreat **January 30 -February 1** **Mater Dolorosa**

This Year's Theme:
**"Holy Waiting – In a World That
Cannot Wait."**

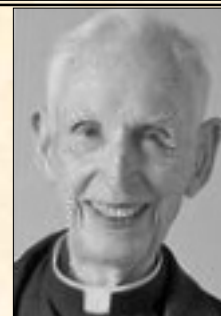

St. Edward the Confessor retreat for men will be held at Mater Dolorosa Retreat Center on the weekend of January 30, 31 and Feb. 1.

Join your fellow parishioners for this weekend of spiritual enrichment and growth. Many men who have attended in the past repeat each year. Ask one of them, why they keep coming back, they will tell you that the peace they "feel" there is like nothing else. Come join us, seek peace, turn the craziness of everyday life off for a few hours and RECHARGE!

Immigration Mythbusting—The Catholic View of Comprehensive Immigration Reform

Myth: Immigrants are a drain on the U.S. economy.

Fact: The immigrant community in the U.S. is, in fact, a net benefit to the economy. A recent government report estimates that, "in aggregate and over the long term, tax revenues of all types generated by immigrants—both legal and unauthorized—exceed the cost of the services they use." Other research reveals the average immigrant pays a net \$80,000 more in taxes than they collect in government services. For immigrants with college degrees, the net fiscal return is \$198,000. *Source: U.S. Congressional Budget Office, CATO Institute, President's Council of Economic Advisors*
