Dear Fr. Brendan,

Thank you, the faculty, staff, student body, grandparents and guests of your parish family for the Mass this morning as part of the celebration of Catholic Schools week.

I was really grateful to be there and to meet so many supportive parishioners and school parents. I was especially happy to visit with Cathy Muzzy and so many of the faculty as well. Your school has a great welcoming spirit and sense of mission to all who come your way, that the Lord in His providence sends!

Thank you as well for taking your time to go to the Church and review the progress of the renovations. I was very grateful for that, as well as your leadership in this phase of the life of the parish, with the school and the entire community.

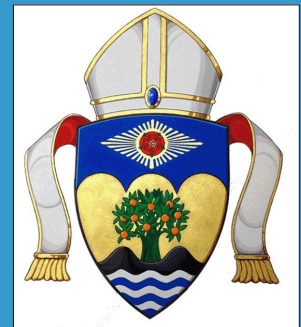

Please know of my ongoing prayer and fraternal support and thanks! May the Lord continue to bless you and guide all of us in this New Year.

Fraternally yours in the Lord,

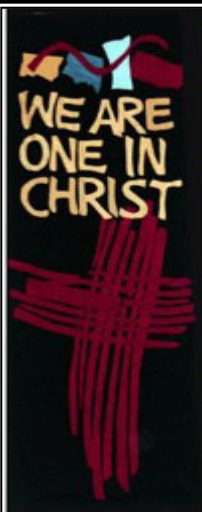

Most Reverend Kevin W. Vann, J.C.D., D.D.
Bishop of Orange

Renovation Q&A

Q: What is the status of the renovations?

A: As of the printing of this bulletin, Tuesday, February 10th, the renovations are still on track for the Dedication Mass with Bishop Vann on Friday, March 6th at 7pm. (Only two more Sundays in the tent after this weekend!).

Q: What is happening to the statues in the church?

A: There are currently three statues in the church. The first is a marble statue of the Holy Family that the founding pastor, Fr. Louis Knight donated. Fr. Knight placed the statue outside and, at a later date, the next pastor moved it inside the church. The statue will be returned outside where it will grace our beautiful garden by the labyrinth.

The second statue is of the Pieta. It is a resin image which was located in "Mary's Chapel". This statue will be properly weather-proofed, placed outside and will create an additional place to pray.

When I arrived to parish in July 2013, I returned the statue of St. Edward the Confessor from a meeting room to the church at the request of some parishioners. However, to date, we haven't had a dedicated place for the statue. As part of the renovations, one of the cupboards next to the baptismal font is being taken out and transformed into a devotional niche where St. Edward will stand and watch over us while providing an appropriate proper place to venerate our patron saint.

Q: So, are we getting new statues?

A: Yes. Statues are an important aspect of our Catholic life and worship-experience. The liturgical consultant that Fr. Steve hired noted the absence of commissioned art in our church and recommended commissioning artwork of the Holy Family, Mary and a full liturgical year of seasonal decorations. The consultant recommended a budget allowance of \$653,000 for art and decorations. Although I agree with these recommendations, our renovation budget does not include any money for the addition of new statues or liturgical decorations. Nonetheless, in response to my requests for your comments, questions, and suggestions over the last several months, many have expressed a desire to include statues of Mary and St. Joseph near the sanctuary of the church. The idea of a commissioned statue of the Holy Family that complements the size and style of the renovated church has also arisen. While there are no immediate plans to add statuary, we will put together a committee to investigate these options. I will keep you posted.

Q: Are we keeping the same crucifix that was in the church?

A: When the new church was built in 1994, a lot of things were simply brought over from the old church and put in the new church. Because the new church is so much bigger than the old church, some of the old items – although beautiful - like the Stations of the Cross, were too small for the size of the new church. Another example of this was the crucifix of the Resurrected Jesus which was brought over from the old church and hung in the new church from 1994-1999. To clarify, a crucifix is a cross with the corpus of Christ.

In 1999, an artist was commissioned to design a bronze corpus of Christ. But the commission did not include the cross. The cross was made separately. There was tremendous difficulty in hanging the crucifix because the weight of the corpus was very heavy causing the crucifix to lean forward. To remedy the problem, a cross was constructed of hollow wood, with a 2" box steel frame internally mounted to the cross that the bronze sculpture is mounted to. With the crucifix then still pitching forward after it was suspended, a chrome beam was awkwardly mounted from the ceiling through the back of the crucifix to make it more vertical.

The renovated church will include the same stunning, iconic bronze corpus of Christ. It will be hung on a new solid oak cross and fixed in (not on top of) the glass reredos (wall). The new setting for the crucifix places Jesus Christ as the centerpiece of the sanctuary helps draw our eye and heart to the living presence and reality of Christ on the Altar, Ambo, and in the person of the priest.

Renovación de la Iglesia

P: ¿Cómo vamos con la renovación de la Iglesia?

R: A partir de este boletín, del martes, 10 de febrero la renovación está en camino y sigue en pie la Misa con el obispo Vann programada el viernes, 6 de marzo a las 7pm. (Sólo estaremos dos domingos mas en la tienda después de este fin de semana!).

P: ¿Qué pasara con las estatuas en la Iglesia?

R: Hay actualmente tres estatuas en la iglesia. La primera es una estatua de mármol de la Sagrada Familia que el párroco fundador, el Padre Louis Knight donó. El Padre Knight colocó la estatua afuera de la iglesia y, posteriormente el siguiente párroco la movió adentro de la iglesia. La estatua será puesta afuera de la iglesia al aire libre donde podrá adornar el jardín.

La segunda estatua es la Pieta. Es una imagen de resina que se encuentra en "La Capilla de María". Será adecuadamente protegida en contra del clima, será colocada afuera y va a crear un lugar adicional para orar.

Cuando llegué a esta parroquia en julio de 2013, también regresé a la iglesia una estatua de San Eduardo que estaba en una sala de reuniones a petición de algunos feligreses. Sin embargo, hasta la fecha, no hemos tenido un lugar dedicado para la estatua. Como parte de las renovaciones, uno de los armarios que están junto a la pila bautismal se va a convertir en un nicho devocional donde la estatua de San Eduardo se mantendrá y velara por nosotros mientras que encontramos un lugar adecuado para venerar a nuestro patrono.

P: Entonces, ¿habrá estatuas nuevas en la iglesia?

R: Sí. Las estatuas son un aspecto importante de nuestra vida católica y experiencia-culto. El asesor litúrgico que fue contratado por el Padre Steve señaló la ausencia de arte y estatuas en nuestra iglesia y recomendó poner la Sagrada Familia, María y un año litúrgico lleno de decoraciones de temporada. El asesor también recomendó poner a un lado una cantidad de \$653,000 dólares para la compra de este arte. Aunque estoy de acuerdo con estas recomendaciones, en nuestro presupuesto no incluye ninguna cantidad adicional para la compra de nuevas estatuas o decoraciones litúrgicas. No obstante, en respuesta a mi petición de comentarios, preguntas y sugerencias de parte de ustedes, muchos han expresado su deseo de incluir estatuas de María y San José, cerca del santuario de la iglesia. También ha surgido la idea de una estatua de la Sagrada Familia que complementa el tamaño y el estilo de la iglesia ya renovada. Si bien no hay planes inmediatos para añadir estatuas, pero habrá un comité encargado de estudiar estas opciones. Los mantendré informados.

P: ¿Nos quedaremos con el mismo crucifijo que había en la iglesia?

R: Cuando la nueva iglesia fue construida en 1994, muchas cosas de la vieja iglesia simplemente fueron traídas y puestas en la nueva iglesia. Debido a que la nueva iglesia es mucho más grande que la antigua iglesia, algunos de los elementos antiguos - aunque son hermosos - como las Estaciones de la Cruz, son demasiado pequeñas para el tamaño de la nueva iglesia. Otro ejemplo de esto fue el crucifijo de Jesús Resucitado, que fue traído de la antigua iglesia y fue colocado en la nueva iglesia desde 1994-1999. Para aclarar, un crucifijo es una cruz con el cuerpo de Cristo.

En 1999, un artista fue el encargado de diseñar un corpus de bronce de Cristo. Pero la comisión no incluyó la cruz. La cruz se hizo por separado. Era extremadamente difícil colgar el crucifijo porque el peso del corpus es demasiado pesado haciendo que el crucifijo se incline hacia adelante. Para remediar este problema, una cruz hueca de madera fue construida, y dentro de la cruz se le instalo una estructura de acero de 2" en el mismo lugar donde la escultura de bronce esta montada. Con el crucifijo ya colgado en el techo notamos que todavía se inclinaba así adelante por el peso, así es que se tuvieron que instalar unas barras de acero en el techo para que el crucifijo sea vea mas vertical. La renovación de la iglesia incluirá el mismo corpus de bronce. Sera colgado en una nueva cruz de madera roble y estará fija (no encima de) en le rererdo o vidrio (pared). El nuevo lugar del crucifijo coloca a Jesucristo como la pieza central del santuario esto ayuda a atraer nuestros ojos y corazón a la presencia viva y real de Cristo en el altar, en el ambón, y en la persona del sacerdote.
