On October 25<sup>th</sup> last year, I spoke at all of the Masses and shared our parish goals of being (1) a House of Prayer and (2) a House of the Poor, (3) living a life on stewardship and (4) further integrating the people and ministries of our church, parish school and chapel. In collaboration with the parish staff, our Office of Christian Services, the Pastoral Council, a recently formed Outreach Council and several of our partners in service such as the St. Vincent de Paul Society (SVDP) and Family Assistant Ministries (FAM), we have been navigating new waters in search of better ways to be good stewards of the poor and the resources with which we serve them.

As you have read in previous bulletins, a parish Outreach Council was formed earlier this year to review and oversee the outreach and stewardship efforts of our parish. The four-member council, chaired by Deacon Al Scaduto, has already made great progress. There is now a new process in place for ministries and organizations to request support –monetary, volunteers, or other resources – from our parish and parishioners.

The Outreach Council has also helped reduce the number of tables after weekend Masses. (I hope you've noticed.) The tables approved to be outside of the church have been moved to the sides of the walkway to provide a clear path for parishioners to enter and exit the church. Also, people at the tables have been asked not to approach parishioners.

Now that there are fewer tables outside of church we hope that when people representing ministries and organizations do have a table that you will pay closer attention to them. They are generous people who are sharing their time to serve you and others, or, they are offering *you* a way to serve God and your neighbor. They deserve our gratitude.

Another change you may have noticed is that we have reduced the number of announcements made at Mass and moved them from the end of Mass to the beginning of Mass so that the flow and prayerfulness of Mass is not interrupted. On your part, please arrive on time and read the bulletin each week (which is available at [stedward.com](http://stedward.com)) to stay informed.

As you read in the bulletin in January, we began a pilot program to serve the poor at our parish chapel, San Felipe de Jesus. Our partner for this pilot program is Family Assistance Ministries (FAM), a faith-based charitable non-profit organization in San Clemente that assists homeless and poor individuals and families. The results of this program have been nothing short of amazing. Every Friday at our chapel, dozens of homeless and working poor are greeted by volunteers from St. Edward the Confessor Parish, employees of FAM and representatives of other organizations who provide hope and help to those in need. **Look at the following page to see the impact of our work.**

We haven't just expanded *where* we serve, we've changed *how* we serve. Instead of focusing almost entirely on people's immediate needs, now each person seeking help meets with a trained case worker who assesses the complete needs of the person. The case worker develops a customized plan for each person aimed at leading them from dependency to self-sufficiency.

FAM, which serves the poor from many locations in South Orange County, maintains a database which contains the unique personal plan of each client so that, if or when the person returns for help, she doesn't have to explain her situation all over again. Clients are expected to participate in improving their own situation, for example, by working on a budget, taking a class, or attending a job fair. The database allows us to work together to achieve this plan, keeping each person accountable and moving forward toward self-sufficiency.

As the needs of the poor change, we will change with them. We will also continue to partner with any organization that can help improve the lives of the poor. Over the last several months, the number of people coming to the Christian Service office on the St. Edward Church campus for help has shrunk dramatically to the extent that some of the food in our pantry has been expiring. Therefore, we will no longer store food at the Christian Service office, but we will continue to collect food and distribute that food to people at San Felipe de Jesus, FAM, or other food pantries.

The volunteers of our Christian Service Ministry and St. Vincent de Paul have helped innumerable people at our church for more than 25 years with little recognition. These volunteers exemplify Jesus' words: "When you give to the needy, do not let your left hand know what your right hand is doing, so that your giving may be in secret. Then your Father, who sees what is done in secret, will reward you. (Mth 6:3-4). Our founding pastor, Fr. Louis Knight, is surely proud that a hall named after him has been truly a House of the Poor.

Our pilot program and partnership with FAM at San Felipe is providing life-changing Christian care to the "least" among us. Soon, we will change the way we provide services at St. Edward by following the same case-worker model that focuses on preventative and personalized care which empowers people to become self-sufficient.

The bulletin regularly lists opportunities to share your time, talent, and treasure to serve God and those in need. The majority of the money that is used to serve the poor in our own community comes from parishioners who contribute to Christian Services through Parish Pay or the envelopes mailed to registered parishioners. It is our current practice that 100% of this money stays within our community to serve the poor.

St. Vincent de Paul will continue to be a valuable partner in caring for the poor. In keeping with the new procedures of our Outreach Council, we are asking all independent organizations, including SVDP, to submit a request form for funds which will be taken from our Christian Service's account. We are confident that this process will allow us to improve our stewardship of the goods people entrust to our care and enable us to give a more accurate account of our stewardship.

The measure with which we care for those in need is only limited by the amount of time, talent and treasure that each of us shares and entrusts to our parish.

It is a sincere joy to be the pastor of a parish which is truly a House of the Poor.  
Fr. Brendan Manson
