Catholic Social Justice Ministry

"We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace."
Pope Francis

The second of the Seven Themes of Catholic Social Justice is a call to family, community, and participation: "The person is not only sacred but also social. How we organize our society—in economics and politics, in law and policy—directly affects human dignity and the capacity of individuals to grow in community. ... " For more on this and the other six principles of justice, stop by the display case in church entry gathering space to see our poster. For your own copy of the seven themes and their descriptions, contact our ministry chair Nellie Alcalde-Wayne, alcaldewayne@yahoo.com
